# Trees and Recreation Ground Improvements

We have managed to hang on to many of our Ash trees until now but sadly, our recent tree report highlighted a number of trees that needed to be removed, including Ash which had suffered from Ash Dieback. We are planting replacement trees around the village and have recently planted some in the recreation ground as part of our improvement works. One of these is a Japanese Cherry (Prunus Shimidsu Sakura) which should grow to something similar to the picture. This tree replaces the raised bed which had sadly rotted.

Example of a Japanese Cherry

Thank you to everyone who responded to our recreation equipment questionnaire. We shall be announcing our proposal and working on the phase 2 improvements later in the year.

## OFFICE SPACE

We have office space available at Braunton Work Hub. Please contact the Parish Council office for further details.
