

## ***Support Network Helping the Community***

Braunton Community Network is a new network of local volunteers created to provide a co-ordinated support system for the vulnerable and those self-isolating during the COVID-19 outbreak.

The Network was set up by Braunton Parish Council in partnership with other key community groups including Live Well in Braunton and the Braunton Volunteers. It covers Braunton, Knowle and Wrafton and its main purpose is to provide help and assistance focused on dealing with coronavirus related matters, primarily with:

- Prescription collection and delivery
- Shopping assistance
- Friendly phone calls

The network is supported by more than 200 volunteers and every street has been allocated a Street Co-ordinator. We are extremely grateful to the wonderful volunteers that have signed up to help the Braunton residents.
