## Grass Verges & Biodiversity

The Parish Council are pleased to be working with the AONB and Braunton Countryside Centre on some dedicated verge trials along Ilfracombe Road in Braunton. The trials will experiment with different mowing methods and record the results of plant species with the various techniques. A survey of the existing plant species has already been made and we will bring you further details of this exciting project in a future newsletter together with our plans to further increase biodiversity within the parish.

## Annual Council Meeting

**Introducing the Anne Robson Helpline - if you or someone close to you is dying, you can talk to us.**

At the Anne Robson Trust we aim to be there to

listen to anyone who faces dying or the imminent death of someone they care about. We know that facing the end of life can leave you feeling isolated and alone.

Being able to access support is so important. Gaining knowledge of what may happen towards the end of life and being prepared helps both the person dying and their loved ones to feel a sense of control.

Calls are free and confidential. **Call us on 0808 801 0688 - we have time to talk**
