We are delighted that, following a public consultation, the Parish Council has agreed to order new equipment for the recreational ground in Braunton. The new equipment (pictured) will be aimed at older children with a fitness unit for teenagers and adults too. We are awaiting the final design and layout.

Landmark Tree

As part of their 'Saving Devon's Treescapes' project, Devon Wildlife Trust have kindly donated a Small leaf lime (*Tilia cordata*) to the Parish Council.

The landmark tree has been planted on the Tarka Trail behind the Anchor area and is described as a pollinator-magnet producing sweet-scented blossom. Its leaves support the caterpillars of moths such as the lime hawk, peppered and vapourer.
