VE Celebration Day Planned in Braunton

This year sees the 75th Anniversary of VE Day on Friday 8th May and Braunton Branch of the Royal British Legion is organising a 1940's themed community event to commemorate the occasion. The aim is to centre the event in the village and to include a Picnic in a 'street styled party setting'; a Commemorative Service

on the Green; a Tea Dance along with some music; children's activities and a craft market. Braunton Parish Council and District Councillors have offered grants to support the event. Please keep an eye out for more details of this exciting upcoming event or contact

Braunton Museum Extension Approved

Braunton Parish Council have always supported the Braunton Museum and Information Centre and we are very pleased they have at last received planning permission for an extension which will provide increased display space and an improved entrance. The museum told us "We are very pleased that this has happened, and we can now move on to the next stage, which is to attract funding from various organisations. Suffice to say that this will all take time but, in the meantime, we would be very happy to receive donations, both personal

and from corporate bodies to start us off. If you are a long-time local resident or a newcomer to the area and would like to help in this way, please call in and speak to one of our staff. If your business would like to sponsor us in anyway, this too would be gratefully received. The Museum is here to tell a story linking the long-time past to the present day; it is your history and that of our forebears; we want it to remain part of Braunton's ongoing story and your help could be part of that. Thank you."
