

The Jubilee Trail

Great progress is being made on the Tarka Trail behind the Anchor area in Braunton to create a more sustainable pathway which can be enjoyed by everyone in the community. One hundred and twenty trees have been planted with the help of the year 7 students at Braunton Academy as part of the Queen's Green Canopy to mark the Platinum Jubilee.

A big community 'Thank you' to Braunton Caen Rotary, Braunton Academy students, Braunton Countryside Centre and the Woodland Trust for making this possible.

We are also pleased to announce that a children's trim trail is also being installed by the Parish Council with thanks to Devon County Council Investing in Devon funding.

Braunton Parish Neighbourhood Plan Consultation is running until 29 April

Would you like to
help shape where
you live?

The first draft of the Braunton Parish Neighbourhood Plan is now available and residents are encouraged to give their views.

Don't worry if you missed the consultation event in the Parish Hall on 19th March. You can still view the draft neighbourhood plan and give your feedback online (a hard copy is available to view at the Parish Council Office). If you are not online you can complete the survey which is inserted with this copy of EX33 and can be dropped back to the Parish Council office next to the library. Details of how to respond online are also on the insert.

Further copies of the survey/insert are available at the Parish Council office.

Links are also available on our website.
