- 1) Any invitation to tender shall state the general nature of the intended contract and the Clerk shall obtain the necessary technical assistance to prepare a specification in appropriate cases.
- 2) The invitation shall in addition state that tenders must be addressed to the Clerk in the ordinary course of post, unless an electronic tendering process has been agreed by the council.
- 3) Where a postal process is used, each tendering firm shall be supplied with a specifically marked envelope in which the tender is to be sealed and remain sealed until the prescribed date for opening tenders for that contract. All sealed tenders shall be opened at the same time on the prescribed date by the Clerk in the presence of at least one member of council.
- 4) Where an electronic tendering process is used, the council shall use a specific email address that will be monitored to ensure that nobody accesses any tender before the expiry of the deadline for submission.
- 5) Any invitation to tender issued under this regulation shall be subject to Standing Order [insert reference of the council's relevant standing order] and shall refer to the terms of the Bribery Act 2010.
- 6) Where the council, or duly delegated committee, does not accept any tender, quote or estimate, the work is not allocated and the council requires further pricing, no person shall be permitted to submit a later tender, estimate or quote who was present when the original decision-making process was being undertaken.

Appendix 2 – Safeguarding Public Money (Repeal of Section 150(5) of LGA1972)

Following the repeal of Section 150(5) of the Local Government Act 1972, local councils in England may safely take advantage of modern payment methods while protecting the public assets in their care, through application of the Joint Practitioners Advisory Group Paper (JPAG Issues 20120725) entitled Safeguarding Public Money – A framework to safeguard public money for local councils in England.

The paper is detailed in the National Association of Local Councils' The Good Councillor Guide under section 7 – Rules for Dealing with Public Money.

In accordance with the guidance provided in JPAG Issue 20120725, local councils through the roles and responsibilities of members, must have in place safe and efficient arrangements to safeguard public money (clause 15) and review regularly the effectiveness of their arrangements (clause 14). Councils must arrange for:

- The proper administration of their financial affairs by ensuring that controls over money are embedded in Standing Orders and Financial Regulations, and
- Establish an officer as holding responsibility for those affairs, such as the RFO.

Councils may delegate the role of protecting money to individuals, for example to the Clerk or the RFO, however legal responsibility cannot be delegated so it remains with the Council and its Members.

The requirement under the repealed Section 150(5) of the LGA, as stated under clause 10 of the guidance, that 'every cheque or other order for payment of money shall be signed by two members of the Council remains good practice although it is no longer law and is not practical in a Council of this size. Therefore, Councils must put in place safe and efficient arrangements in accordance with clause 15 of the JPAG guidance. Such arrangements must include:

- Council approving every bank mandate;
- holding a list of authorised signatures for each account;
- determining the limits of authority for each account signature; and
- determining the limits of authority for any amendments to mandates
