

# THURSDAY 22<sup>ND</sup> OCTOBER 2015 SANDBAGGING DEMONSTRATION

Devon & Somerset Fire & Rescue Service will be assisting the Environment Agency as they demonstrate the correct procedure for sandbagging doorways to prevent domestic flooding. Fire fighters will be on hand providing the water for this demonstration as well as giving safety advice to the public about the hazards of walking and driving in flood water. Find out the correct procedure for individual property flood protection using sandbags and a plastic membrane. This event is free to anyone who would like to attend.
