Scarecrow Competition

Thank you for wanting to enter our Coronation Scarecrow Competition. Here are the details you need. You can build your Scarecrow from whatever materials you can lay your hands on - recycled objects, old clothes, sticks - whatever inspires you! The theme is 'Loving Our Environment' so let your imaginations run wild!

There will be three categories - school aged children, families/individuals and businesses. Scarecrows must be displayed so that they are visible from the streets and have a name.

The judges will view each of the scarecrows in the week leading up to the Coronation weekend so they must be on display from the 1st May at the latest. They can be in a window, in the garden or on a step - as long as they are visible! The winners will be announced on Monday 8th May.
